LOCATION

The Sport Park Liberec is located close to the centre of the regional town. Liberec is situated in the foothills of the Jizerské hory (Jizerské Mountains) not far from the German and Polish borders. A speedway links the town with Prague and Mladá Boleslav on the one hand and with Děčín, Ústí nad Labem and German towns on the other hand. Visitors to the sports park can make use of a central parking place, VIP parking place as well as other parking areas in adjacent streets, all of them free of charge.

CATERING

We will prepare a made-to-measure menu for you

We will take care of complex catering, as required by you. We will compose an all-day menu in co-operation with your nutrition specialist to meet the nutrition needs of professional sportsmen to the maximum extent.

The place designed for catering is the separated lounge bar of the STADION hotel restaurant, directly in the sports park.

ACCOMMODATION

The Liberec ARENA Hotel forms part of the Sport Park Liberec, thanks to which it offers not only the standard of a three-star hotel, including free parking or a reception office working 24 hours a day, but above all easy accessibility of all the sports grounds and other places within the sports park. Catering is provided in the STADION hotel restaurant and the guests have the sports and social background of the sports park available.

The hotel comprises a hostel, whose capacity exceeds 120 beds.

We are able to provide accommodation for more than 270 persons.

ARENA HOTEL***

A three-star hotel offers suites and double rooms with a possibility of extra beds being provided. As the common spaces and selected rooms are easy-access ones, accommodation in Liberec is suitable for persons with reduced mobility too. We offer quiet and comfortable accommodation for everyone. All the hotel rooms are equipped with a shower cabinet, toilet, TV-set and telephone.
